

## HOME WITH A MISSION! Bringing Christmas Home #3

*As soon as they left the synagogue, they went with James and John to the home of Simon and Andrew... That evening after sunset the people brought to Jesus all the sick and demon-possessed. The whole town gathered at the door, and Jesus healed many who had various diseases. He also drove out many demons, but he would not let the demons speak because they knew who he was... Jesus replied, "Let us go somewhere else—to the nearby villages—so I can preach there also. That is why I have come." So he traveled throughout Galilee, preaching in their synagogues and driving out demons... A few days later, when Jesus again entered Capernaum, the people heard that he had come home. So many gathered that there was no room left, not even outside the door, and he preached the word to them...*

**For your small group this week, think about this...**

- Levi's house party in Mark 2:15-16 is an example of how a home can be missional. Describe how Levi's home was a missional outpost?
- You can have a perfect home or a missional home, but not both. Explain.
- What missional purpose might your home serve that it's currently not? How can you move that direction?
- Are you willing for your home to be a missional outpost? If so, how can you begin? Could it be time for you to step out and begin leading a small group? If not, why not?
